

The Description of the Palace of Svananda

सनकादयः- ब्रह्मलोकश्चतुर् देव विशेषेण निरूप्यते । स्वानन्दभवनं कुत्र वर्तते तद्वद प्रभो ! ॥ १ ॥

Sanaka and the other sages said: O Lord, the Vedas specifically describe the realm of Brahmaloka. Where exactly is the Svananda-bhavana (the Palace of Svananda) located? Please tell us, O Master!

गणक उवाच- सत्यलोकान्तलोकाश्च पञ्चभूतमया स्मृताः ।

जाग्रदभिमानिनो वै अहङ्कारस्थितिस्मृतः ॥ २ ॥

Ganaka said: All the worlds up to Satyaloka are remembered as being composed of the five gross elements. They correspond to the waking state of consciousness and are rooted in the state of ego (*Ahankara*).

महत्तत्त्वन्तु स्वाप्नस्याव्यक्तं सौषुप्तकस्य च ।

त्रिविधस्थितिरूपस्तु ब्रह्मलोक इति स्मृतः ॥ ३ ॥

The realm of the cosmic intellect (*Mahat-tattva*) corresponds to the dream state, and the unmanifest (*Avyakta*) corresponds to the state of deep sleep. The Brahmaloka is remembered as comprising these three states.

कार्यब्रह्मलोक इति लोकोऽयं परिकीर्तितः ।

पुरुषाख्यस्थितिर्वेदे तुरीयसंज्ञिको वरः ॥ ४ ॥

This is celebrated as the Empirical or Effect-Brahmaloka (*Karya-Brahmaloka*). In the Vedas, the excellent state known as the *Purusha* is designated as the Fourth State (*Turiya*).

कारणब्रह्मलोकस्स्यादिति वेदविदो विदुः ।

पञ्चायतनदेवानामत्र स्थानानि सन्ति च ॥ ५ ॥

The knowers of the Vedas understand this Fourth State to be the Causal Brahmaloka (*Karana-Brahmaloka*). The supreme abodes of the five Panchayatana deities are located here.

कार्यकारणभावाभ्यां विहीनस्थितिरुत्तमः ।

साक्षाद्ब्रह्मलोक इति कथ्यते पञ्चमाभिधः ॥ ६ ॥

However, the supreme state that is completely devoid of both Cause and Effect is called the Direct, Absolute Brahmaloka (*Sakshad-Brahmaloka*), designated as the "Fifth" (*Panchama*).

स्वानन्दभवनं चेति तदेव परिकीर्तितम् ।

स्वानन्दभवनालोको ज्योतिःपुञ्जमिति स्मृतः ॥ ७ ॥

That exactly is celebrated as the **Svananda-bhavana**. The realm of Svananda-bhavana is remembered as a concentrated mass of infinite light (*Jyotirpunja*).

कोटिसूर्यप्रतीकाशः कोटिशीतांशुशीतलः । विना प्रसादं देवस्य ब्रह्मणां ब्रह्मणस्पतेः ॥ ८ ॥

अगम्यश्चिवपूर्वाणां देवानां योगिनामपि । इक्षुसागरमध्यस्थं स्वानन्दभवनं वरम् ॥ ९ ॥

It shines with the brilliance of tens of millions of suns, yet it is as cooling as tens of millions of moons. Without the direct grace of the Lord of Prayer, Brahmanaspati, it remains utterly inaccessible even to Shiva, the other gods, and the greatest Yogis. This excellent Svananda-bhavana is situated in the very center of the Ocean of Sugarcane Juice (*Ikshusagara*).

अनेककोटिब्रह्माण्डादूर्ध्वभागे प्रतिष्ठितः ।

कारणब्रह्मलोकस्तु तस्मादूर्ध्वमिदं स्मृतम् ॥ १० ॥

It is established far above the realms of countless millions of universes. Even the Causal Brahmaloka sits below it; this realm is remembered as the highest of all.

भ्रामरी त्वंपदा शक्तिरस्या मूर्ध्नि च तत्पदा । आधारशक्तिरास्ते च तन्मूर्ध्नि कामदायिनी ॥ ११ ॥

असिरूपा पराशक्तिः तन्मूर्ध्नि भवनं स्मृतम् । दशकोटियोजनैश्च विस्तृतं वर्तुलात्मकम् ॥ १२ ॥

The power named *Bhramari* represents the word 'Tvam' (Thou). Above her is the *Adhara-Shakti* (Foundation Power) representing the word 'Tat' (That). Above her is the wish-fulfilling *Para-Shakti* (Supreme Power) representing the word 'Asi' (Art). Upon the crown of this Para-Shakti, the Svananda-bhavana is established. It is circular in shape and expands across ten crore (100 million) *yojanas*.

बिन्दुरूपमहामायामयं स्थानमुदीरितम् ।

चिन्तामणिरत्नशिलानिर्मितं स्थानमुत्तमम् ॥ १३ ॥

This supreme place is declared to be made of Mahamaya in the form of the Absolute Point (*Bindu*). It is exquisitely constructed entirely of wish-fulfilling *Chintamani* gemstones.

निजलोके मध्यभागे पट्टणं ब्रह्मणस्पतेः ।

मूलस्थानन्तु तन्मध्ये गणेशस्य प्रकीर्तितम् ॥ १४ ॥

In the exact center of this personal realm lies the capital city of Brahmanaspati.

In the very middle of that city is the celebrated core sanctuary of Ganesha.

तत्र बिन्दुमये पीठे पूर्णोङ्कारस्वरूपवान् ।

परंज्योतिस्वरूपेण सर्वसाक्षी विराजति ॥ १५ ॥

There, upon a throne made of the Absolute Point (*Bindu*), He who is the complete embodiment of the *Omkara* sits as the Supreme Light (*Paramjyoti*), shining as the universal witness.

निर्गुणं परमं ब्रह्म निष्कलज्योतिरूपतः ।

शून्योङ्कारमये पीठे विराजति सुनिर्मलम् ॥ १६ ॥

The absolute, attributeless (*Nirguna*) Supreme Brahman, in the form of immaculate, undivided light, sits brilliantly upon a throne made of the void-*Omkara* (*Shunya-Omkara*).

द्वयोरपि मध्यभागे द्विभेदपरिवर्जितम् । स्वयंज्योतिस्वरूपेण ब्रह्म स्वानन्दसंज्ञिकम् ॥ १७ ॥

एकाक्षरमये पीठे स्वस्वरूपेण राजति । आयाममपि विस्तीर्णमुन्नतं शतयोजनम् ॥ १८ ॥

In the middle of both (*Saguna* and *Nirguna*), completely free from the division of duality, the self-luminous Brahman known as *Svananda* shines in His true essence upon a throne made of the single imperishable syllable (*Ekakshara*). This throne is expansive, measuring a hundred *yojanas* in height and width.

प्रमाणं ज्योतिष्मच्चास्य कथितं योगपारगैः । अर्द्धमस्य द्वयोः प्रोक्तं प्रमाणन्तु पृथक् पृथक् ॥ १९ ॥

अग्नौ प्रकाशवत्तेषु सिद्धिबुद्धी च तिष्ठतः । प्रथमावरणे तेषामष्टस्थानानि सन्ति वै ॥ २० ॥

The masters of Yoga have described its luminous dimensions. The thrones of the other two are said to be exactly half this size. Just as light is inherent in fire, Siddhi and Buddhi reside inherently within Him. In their first enclosure, there are eight specific stations.

बिन्दाद्यष्टस्थितिगता अष्टविघ्नेश्वराः वराः ।

अष्टस्थानेषु सन्त्येव वक्रतुण्डादयः क्रमात् ॥ २१ ॥

The eight excellent Vighneshvaras, beginning with Vakratunda, are stationed sequentially in these eight places, corresponding to the eight states starting with the *Bindu*.

क्रीडास्थानमिति प्रोक्तं वक्रतुण्डस्थलं वरम् । चिन्तामणिरत्नवरैर्निर्मिते रत्नमण्डपे ॥ २२ ॥

रत्नपीठे सुखासीनस्सिद्धिबुद्धिसमन्वितः । गजाननश्चन्द्रचूडश्शुण्डादण्डविराजितः ॥ २३ ॥

The excellent pavilion of **Vakratunda** is declared as the Place of Play (*Krida-sthana*). In a jeweled pavilion built of the finest Chintamani gems, Gajanana sits comfortably on a jeweled throne with Siddhi and Buddhi. He is adorned with a crescent moon on His crest and possesses a magnificent trunk.

रक्तवर्णस्त्रिनयनो ह्येकदन्तविराजितः । पाशाङ्कुशरदाभीतिशोभिचारुचतुर्भुजः ॥ २४ ॥

लम्बोदरः कम्बुकण्ठो रक्तवस्त्रविराजितः । सर्वाभरणशोभाढ्यः पीतवस्त्रोत्तरीयकः ॥ २५ ॥

He is red-complexioned, three-eyed, and adorned with a single tusk. His four beautiful arms gracefully hold a noose, a goad, His broken tusk, and the gesture of fearlessness (*Abhaya*). He has a large belly, a conch-like neck, wears red garments and a yellow upper cloth, and shines with all divine ornaments.

प्रीणनाय सिद्धिबुद्धयोः वक्रतुण्डोऽथ बिन्दुकः ।

ब्रह्माण्डानामनन्तानि ससर्ज वीक्षणेन च ॥ २६ ॥

To delight Siddhi and Buddhi, Vakratunda, the lord of the Bindu, creates infinite universes by His mere glance.

तेषु तेषु पञ्चदेवान् स्थापयामास लीलया । सृष्ट्यादिपञ्चकृत्यानि कारयित्वा च पञ्चभिः ॥ २७ ॥

सर्वसाक्षी स्वयं भूत्वा शक्तिभ्यां सह मोदते । एवं बहुविधां क्रीडां स्थित्वा तत्र करोत्ययम् ॥ २८ ॥

Through His divine play, He establishes the five deities in those universes. Making those five deities perform the five cosmic acts (creation, etc.), He Himself remains the detached universal witness, rejoicing with His two Shaktis. Stationed there, He performs many such diverse cosmic plays.

अतः क्रीडास्थलं प्रोक्तं स्थानमेतन्मुनीश्वराः ! । विचित्रस्थानमतुलमेकदन्तस्थलं स्मृतम् ॥ २९ ॥

Therefore, O lords of sages, this place is called the Place of Play. Next is the incomparable, wondrous place remembered as the pavilion of **Ekadanta**.

तत्र चिन्तामणिगृहे सुखासीनो गजाननः । सर्वाभरणशोभाढ्यो सिद्धिबुद्धिसमन्वितः ॥ ३० ॥

प्रीतये सिद्धिबुद्ध्योश्च ब्रह्माण्डेषु च लीलया । रुद्रं कृत्वा पद्मभवं ब्रह्माणं तं सदाशिवम् ॥ ३१ ॥

There, in a Chintamani house, Gajanaana sits comfortably with Siddhi and Buddhi, radiant with all ornaments. For the pleasure of Siddhi and Buddhi, He playfully reverses cosmic roles in the universes: making Rudra into the lotus-born Brahma, and Brahma into Sadashiva...

विष्णुं कृत्वा दिवानाथं भास्करं कमलापतिम् । सूर्यं चन्द्रमसं कृत्वा हिमांशुं दिननायकम् ॥ ३२ ॥

चण्डालं ब्राह्मणं कृत्वा ब्राह्मणं चापि पञ्चमम् । हिमं वह्निस्वरूपञ्च वह्निश्च हिमरूपिणम् ॥ ३३ ॥

...making Vishnu into the Sun, and the Sun into the Lord of Lakshmi; making the Sun into the Moon, and the Moon into the Sun; making a Chandala into a Brahmin, and a Brahmin into an outcaste; making ice take the nature of fire, and fire take the nature of ice...

अणुमेव महामेरुं महामेरुमणं तथा । रङ्गं कृत्वा च राजानं राजानं रङ्कुमेव च ॥ ३४ ॥

ब्रह्माणं स्तम्भरूपाढ्यं स्तम्भं कृत्वा च पद्मजम् । एवं कृत्वा विचित्राणि मोदते सिद्धिबुद्धियुक् ॥ ३५ ॥

...turning an atom into Mount Meru, and Mount Meru into an atom; making a pauper a king, and a king a pauper; turning Brahma into a pillar, and a pillar into Brahma. Performing such astonishing reversals, He rejoices with Siddhi and Buddhi.

गीतस्थानं बोधरूपं महोदरस्थलं स्मृतम् । दिव्यसिंहासनारूढस्सिद्धिबुद्धिसमन्वितः ॥ ३६ ॥

The pavilion of **Mahodara** is remembered as the Place of Song and Wisdom (*Gita/Bodha-sthana*).
Mounted on a divine throne with Siddhi and Buddhi...

ऋग्वेदो मूर्तिमांस्तत्र ब्राह्मणस्पत्यसूक्तकैः । गणेशसूक्तकेनैव स्तौति देवगुणान् मुदा ॥ ३७ ॥

यजुर्वेदश्शान्तिपाठैः गणेशसूक्तकेन च । स्तौति देवं गणेशानं सामवेदस्तदा विभुम् ॥ ३८ ॥

There, the personified Rigveda joyfully praises the Lord's qualities using the *Brahmanaspati Suktas* and *Ganesha Sukta*. The Yajurveda praises Lord Ganesha with peace chants (*Shanti-pathas*) and the *Ganesha Sukta*.

नामाष्टकेन स्तुतिना गणेशसूक्तकेन च । गान्धर्ववेदसहितः करोति गानमादरात् ॥ ३९ ॥

आथर्वणमन्त्रसूक्तैरथर्वा स्तौति विघ्नपम् । उपनिषत्पुरुषस्तु परविद्याप्रबोधकः ॥ ४० ॥

The Samaveda, accompanied by the Gandharva-veda, respectfully sings to the Lord using the eight-name praise and the *Ganesha Sukta*. The Atharvaveda praises the Lord of Obstacles with Atharvan mantras, while the personified Upanishad-Purusha, the awakener of supreme knowledge...

प्रणौति शतसंख्याभिरथर्वशीर्षकादिभिः । इतिहासपुराणाख्यपुरुषो दिव्यविग्रहः ॥ ४१ ॥

ब्रह्माण्डब्राह्मगाणेशज्ञानमारीचमौद्गलैः । ब्रह्मज्ञानसुखोदयसंज्ञकेनापि हृष्टधीः ॥ ४२ ॥

...praises Him with hundreds of texts like the *Atharvashirsha*. The personified Purusha of the Epics and Puranas, holding a divine form, joyfully praises Him using the *Brahmanda*, *Brahma*, *Ganesha*, *Jnana*, *Maricha*, and *Mudgala* Puranas, and the *Brahmajnana-sukhodaya*.

अष्टाभिरपि गीताभिः प्रस्तौति गणनायकम् । शुद्धगाणपताऽद्वैतदर्शनेन गजाननम् ॥ ४३ ॥

सिद्धान्तपूर्वकं स्तौति मीमांसा तत्त्वदर्शिनी । श्रुत्वा सर्वं गणेशानः शक्तिभ्यां सह मोदते ॥ ४४ ॥

He praises the Leader of Ganas with the eight *Gitas*. The truth-seeing Mimamsa praises Gajanan systematically through the philosophy of pure Ganapatya non-dualism (*Shuddha-ganapatya-advaita*).
Hearing all this, Ganesha rejoices with His two Shaktis.

विलासस्थानमतुलं लम्बोदरस्थलं स्मृतम् । रत्नमञ्चे सुखासीनस्सिद्धिबुद्धिसमन्वितः ॥ ४५ ॥

अणिमादिभिरानीतभक्ष्याणि विविधानि च । ददाति सिद्धिबुद्धिभ्यां गृहीत्वा शुण्डया विभुः ॥ ४६ ॥

The pavilion of **Lambodara** is remembered as the incomparable Place of Enjoyment (*Vilasa-sthana*). Seated comfortably on a jeweled couch with Siddhi and Buddhi, the Lord takes various delicacies brought by Anima and the other Siddhis with His trunk and lovingly feeds them to Siddhi and Buddhi.

दत्तानि ताभ्यां हर्षेण भक्षयित्वा स्वयं विभुः । ताभ्यां प्रदत्त्वा ताम्बूलं वत्तं ताभ्यां स्वयं मुदा ॥ ४७ ॥

गृह्णाति वामहस्तेन महासिद्धिं पराम्बिकाम् । दक्षिणेन महाबुद्धिं समालिङ्गध प्रमोदते ॥ ४८ ॥

The Lord joyfully eats what is offered by them. He gives them betel leaves (*Tambula*) and happily accepts what they offer. He embraces the Supreme Mother Mahasiddhi with His left arm and Mahabuddhi with His right arm, exulting in bliss.

केलिस्थानं गणेशस्य विकटस्थानमुच्यते । सहस्रदलसंयुक्तस्य मध्ये तु कमलस्य वै ॥ ४९ ॥

करोति विविधा हृष्टो मायामोहविवर्जितः । विघ्नराजस्थलं प्रोक्तं निद्रास्थानमिति प्रभोः ॥ ५२ ॥

Though completely free from Maya and delusion, the joyful Gajanana engages in various amorous expressions (*Shringara*) with Mahasiddhi and Mahabuddhi. Next, the pavilion of **Vighnaraja** is declared to be the Lord's Place of Rest (*Nidra-sthana*).

इक्षुसागरमध्ये तु सहस्रदलपङ्कजे । तत्कर्णिकामध्यदेशे मृदुमञ्जुलतल्पके ॥ ५३ ॥

The pavilion of **Dhumravarna** is declared as the Supreme Self's Place of Dance (*Nritta-sthana*). गानपूर्वहस्ततालं करोति सिद्धिनायिका । वीणागानं करोत्येव महाबुद्धिः पराम्बिका ॥ ६० ॥

...the Lord dances joyfully with His foot. During the ultimate unmanifest dissolution (*Avyakrita-laya*), the Lord performs the formidable *Urdhva-Tandava* dance. Goddess Siddhi provides the rhythmic handclapping and singing, while Supreme Mother Mahabuddhi plays the Veena.

Well-seated on a divine throne, He presents all petitions to the Lord of Obstacles, reading aloud the commands of Brahmanaspati to the petitioners.

यस्य वाक्यं प्रभुश्श्रुत्वा तत्कारयति तत्क्षणात् ।

यस्मादन्यस्तु यो वक्तुं न क्षमां ब्रह्मणस्पतौ ॥ ६८ ॥

He, without a doubt, is also a direct manifestation of Gunesh. This Ganaka, the lord of calculators, systematically records in his book all the details of Brahmanaspati's devotees residing across the universes: their specific universe, world, direction, country, village, lineage, stage of life, caste, guru, personal name, father's name, family deity, their previously worshipped deities, and their specific desires.

Others who have attained the *Salokya* liberation (residing in the same realm) stand all around. The personified Vedas, Upanishads, Mimamsa, Puranas, weapon-deities (*Astradevas*), and Mantras stand in the Lord's assembly. That is why the highly fortunate ones call this the Place of Command.

To the west of Siddhi-Pura is remembered **Mayura-Pattana**. There resides the world-enchancing Vainayaki Mahamaya Mayura, served by tens of millions of forms of Maya.

एवमष्टपुराण्येव तिष्ठन्ति प्रथमावृतौ ।

सर्वेषां वाहनान्येव तिष्ठन्ति तत्र सन्निधौ ॥ ९९ ॥

Thus, these eight cities are situated in the first enclosure.

The celestial vehicles of all these deities are stationed in their immediate vicinity.

पुरद्वारपार्श्वयोस्तु तिष्ठतौ द्वारपालकौ । ततो मोदादयः प्रोक्ताः सुप्रभूतादयस्ततः ॥ १०० ॥

वीराद्या वर्णदेवाश्च शस्त्रास्त्रदेवतास्तथा । सालरक्षाकराश्वापि तिष्ठन्ति सगणः क्रमात् ॥ १०१ ॥

At the flanks of the city gates stand the two door-keepers. Beyond them are stationed Moda and others, followed by Suprabhuta and others, the heroic deities of the Varnas, the deities of weapons and missiles, and the wall-guards, all arranged systematically with their troops.

एवं स्वानन्दभवनमिक्षुसागरमध्यगम् ।

स्वानन्दब्रह्मरूपाख्यं गणेशेन विनिर्मितम् ॥ १०२ ॥

Thus is the Svananda-bhavana, located in the middle of the Ocean of Sugarcane Juice.

Named after the form of the Svananda Brahman, it was created by Ganesha Himself.

महिम्नि पञ्चमस्थित्यां सर्वाधारं तदीरितम् ।

प्रार्थनात् सिद्धिबुद्ध्योश्च निर्मितं खेलकेन तत् ॥ १०३ ॥

Established in His own majesty in the Fifth State, it is declared to be the foundation of all. It was

constructed by the Divine Player (Ganesha) in response to the prayers of Siddhi and Buddhi.

इति स्वानन्दभवनवर्णननिरूपणम्

Thus ends the Description of the Palace of Svananda.
